

Washington Hebrew Congregation's **Camp Keetov** Summer 2012

MUTUAL REQUEST FORM FOR PLACEMENT

The Camp Keetov professional staff makes every effort to create cohesive, heterogeneous camp groups, putting children together with friends from their current school year as well as those that they will be placed with next fall.

In addition, we offer you the opportunity to request that your child be placed in a camp group with a friend. This must be a **mutual** request between two families. **You may only submit ONE request per child.** In order to submit a request, please complete the form below.
