

Extended Day Enrichment Program

Second Semester - School Year 2007-2008

The Enrichment Program affords the opportunity to do many of the special projects and units for which there is limited time in the morning. Highlights may include science, cooking, art, drama, aerobics and music. Children in our Three- and Four-year-old programs have an opportunity to stay for our Extended Day Enrichment Program on **Monday, Tuesday, Wednesday and Thursday** afternoons. Sessions are from 11:45 am to 2:00 pm (children bring their own lunch and beverage). Second semester Enrichment will begin on Monday, January 28, 2008 and continue through Thursday, May 29, 2008. **All children must be fully toilet trained to participate in Enrichment.**

You may register for one, two, three, or four afternoon sessions per week. The first semester fees are as follows:

\$335/session day: WHC members

\$368/session day: Non-members

We require payment of **at least one-half** of your first semester enrichment fees with this application. The balance is due by Friday, March 7, 2008. **If you prefer you may pay the entire amount at time of registration for the program.**

If you wish to enroll your child in the first semester Enrichment Program, please complete the form below and return it with your payment to *Donna Levin no later than Friday, January 18, 2008*. It is imperative that this form be returned by that date as class size is limited to ensure an effective program.
