**E-T ECC 3's Extended Day Enrichment Program
Second Semester - Winter 2012
Monday, January 30 - Monday, June 4, 2012**

The E-T ECC presents our Extended Day Enrichment Program for the second semester - Winter 2012. Children in our three-year-old program will have an opportunity to stay for the program on Monday, Tuesday, Wednesday, and Thursday afternoons. (On Friday, we offer Club Macomb from Noon – 2:15 pm.) Sessions are held from 12 Noon – 2:15 PM. Children bring their own lunch and beverage. As always, do not send any lunch or snacks to school that are made/contain any type of nut products including but not limited to peanuts, walnuts, pecans, brazil nuts, all tree nuts and their products.

2nd Semester of Enrichment begins Monday, January 30 and continues thru Thursday, June 4, 2012.

Children do not need to be fully toilet trained to participate in Enrichment.

You may register for one, two, three, or four afternoon sessions per week. The number of classes varies based on holiday closings and early dismissal days. Prices are reflected below:

- Monday: \$425/session: WHC members and \$459/session: Non-members (17 classes)**
- Tuesday: \$500/session: WHC members and \$540/session: Non-members (20 classes)**
- Wednesday: \$450/session: WHC members and \$486/session: Non-members (18 classes)**
- Thursday: \$475/session: WHC members and \$513/session: Non-members (19 classes)**

If you wish to enroll your child, please complete the form below and return it with your payment to Lauren Lieberman no later than Thursday, January 26, 2012.

E-T ECC Extended Day Enrichment for 3s Program Descriptions

MONDAY: Drama

What big eyes you have! Someone's been sleeping in my bed! I'll huff and I'll puff and.... I'll have so much fun practicing and getting ready for a last day performance of a story from the land of make believe! I'll make sets and costumes and use my powerful imagination.

Taught by Laurie Shaw

(Monday No Class: 1/16/12, 2/20/12, 4/2/12, 4/9/12, 5/28) 17 classes

TUESDAY: Science Explorers

Join us for science Tuesdays for a unique hands-on approach to science. Each week your curious child will participate in experiments, nature experiences, and a variety of activities designed to encourage observation skills and understanding of the world around them. Taught by Susan Sherman from our Koalas class.

(Tuesday No Class: 4/3/12, 4/10/12) 20 classes

WEDNESDAY: Yoga

Yoga is a wonderful way for children to exercise their bodies, express themselves and manage stress. Sessions combine music, stories and age-appropriate movements.

Taught by Robin Lubin from our Polar Bears class.

(Wednesday No Class: 2/8/12, 4/4/12, 4/11/12) 18 classes

THURSDAY: Spanish

What's the secret to learning Spanish? Starting early!

During childhood, language learning happens effortlessly. You'll be astonished by the many ways your child will benefit from this introductory class. Our very own Lollipop teacher, Carmen Cortes, creates fun and imaginative ways to introduce our students to beginning Spanish.

(No Class: 3/29/12, 4/5/12, 4/12/12) 19 classes
